Location and how to get there

Close to the most stunning sandy beaches, mysterious caves and beautiful landscapes of the Algarve, for in addition to the best golf courses of Europe, Monte Santo Resort, is just 2 km (5 minutes by car) from the center of the picturesque village of Carvoeiro, 63 km (45 minutes by car) from Faro airport and the 250 km away, 2 hours by car from Lisbon and Seville.

With eight hectares of gardens and lakes, you will find three areas: the Club House, the suites and the villas, semi-detached houses with a privileged view of the garden or pool. As we always strive for the best experience, in 2018 the restaurant and spa were rebranded and in 2021 we renewed the interior decoration of the suites and townhouses, which are now lighter and more modern and welcoming.
