

Join golfpro Alexander Wennstam on a fantastic spring golf break

Barceló Montecastillo, Spain | March 21th-26th, 2026

- Book by December 20th -

Experience six unforgettable days of sunshine, championship golf, and professional coaching as **Alexander Wennstam** takes you to the iconic **Barceló Montecastillo Golf Resort** in Andalusia. Train, play, relax and take your game to the next level.

Set just outside the historic city of Jerez de la Frontera, Montecastillo Golf Resort is a five-star haven where world-class golf, refined comfort, and relaxed Andalusian elegance come together. Designed by legendary Jack Nicklaus, the championship 18-hole course stretches across rolling hills, serene lakes, and panoramic viewpoint creating a golfing experience that is as visually stunning as it is technically rewarding.

We will also be playing **Sherry Golf Jerez** that is an 18-hole championship golf course located in Jerez de la Frontera, Andalusia, Spain. Designed by Stirling & Martin. The course uses a modern American design philosophy with wide fairways, large greens, and smooth undulations making it accessible for amateurs but still challenging for experienced players.

Barceló Montecastillo offers elegant and comfortable accommodation designed for both relaxation and convenience. We stay in modern rooms with bright, contemporary décor and views over the gardens, pool area, or the championship golf course. All rooms include free Wi-Fi, air conditioning, premium bedding, a minibar, a safe, and a private terrace or balcony.

We will enjoy golf training sessions on select days under the watchful eye of our golf professional, Alexander Wennstam, providing the perfect preparation to be game-ready just in time for the 2026 golf season as it starts to heat up.

Monte Castillo is simply the perfect place to kickstart the golf season in a great setting with a group of other keen golfers. I hope you will join me!

Alexander Wennstam
